## AUTOMOTIVE Restoration & Maintenance

## Tech Tip

## Kaiser Wheel Interchange List

<u>Make</u>	Number of Lugs	<b>Bolt Pattern in Inches</b>	<u>Application</u>
Kaiser	5	4-1/2	All Kaiser, Frazer, Henry-J, Darrin 1947-55
Jeep	5	4-1/2	Most all 1947 to late 1980's
Ford	5	4-1/2	All V8 Mustangs 1965 to 1973, & 1994-98 V8 Falcon, Maverick, 1963-73 Torino, Ranchero, LTD 1968-78, Thunderbird 1955-56
Mercury	5	4-1/2	Comet 1963-73, all Montego
Chrysler I	Products 5	4-1/2	Most 1955-90 (except 1960-72 Dart, Duster, Valiant and Imperial)

Note: Although all the above listed wheels have the same lug bolt pattern and will bolt to the Kaiser hub, some of the inner hub sizes may be different from the Kaiser. In addition, some of the listed wheels have a different "set-back" and the tires may rub the fender or frame. Check any wheel carefully for all measurements.
